Before the Holidays Handyman

November is the dawn of the busiest time of the year because we are all preparing for winter and beginning to prepare for the holidays. So, it can be hard to justify any home improvement projects during this time. However, in a day you could have a brand new back-splash in your kitchen or new interior doors. In less than a week, the common rooms could be painted. In a few days, your mudroom and closets could be totally reorganized with custom shelving and sitting areas. Call One Stop Home Repair today to get started.

A back-splash in your kitchen is essential to complete your kitchen's atmosphere. If you have a plain kitchen, a textured tile or mosaic design will add new life. A busy kitchen would benefit from a neutral tile or design, that will lighten and simplify. A back-splash is not only decorative, its smooth, waterproof surface makes it easier to keep clean. If you have ideas, but you aren't sure how to implement them, call One Stop Home Repair. From the planning board to the project's completion, we will be by your side.

Replacing interior doors is a wonderful way to update and modernize your home or give it an old fashioned look. There are dozens of styles to choose from. If replacing doors isn't in your budget, simply painting them may be a great solution. In some cases, adding trim and other designs is an option prior to painting. Even something as simple as replacing a door knob can add a lot to your door. For any assistance you need, give One Stop Home Repair a call today.

You don't spend a lot of time in your closet, but wouldn't it be great to have a closet organized like the professionals do in those magazines? The only thing that requires is adequate shelving and proper use of space. One Stop Home Repair can help you with custom shelving based on how you want your clothes stored.

These projects are guaranteed to surprise your guests just in time for the holidays. Call One Stop Home Repair today with any of your handyman projects. We are glad to help. Have a wonderful Thanksgiving!

Meet the Crew
Thomas Hashey

Orono resident Thomas Hashey is an artist and a carpenter. He joined One Stop Home Repair's Team in September 2016. He brings more than 30 years of experience to One Stop Home Repair. Tom joined our team because he heard it was a good company to work for and because of its good reputation.

Tom specializes in carpentry, painting and tiling. He is a lead carpenter on various jobs, including remodeling and painting.

Tom studied at Tufts School of the Museum of Fine Arts in Boston, Massachusetts. His passion for art shows in his work.

Tom's knowledge in carpentry was earned by doing. A lot of his experience in this field came from working side-by-side with experienced co-workers from 'The County'.

Tom artistic eye ensures that his jobs are created with the highest quality, down to the smallest detail. When the customers are happy with the results he knows he was successful.

In his spare time, Tom enjoys sculpting and painting.

Ask Handy Howie

What should you do to prepare your home for winter?

1. Ensure your gutters are clear of debris.
2. Seal all drafty windows.
3. Call a professional to ensure your heating system will handle the winter work load.
4. Fill or top off your oil tank early.
5. Ensure your chimney is clear of creosote before lighting a fire in your fireplace.
